Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

Read the effect of various factors in making your life.

Matching Prediction

Nature

Both Boy and Girl belong to the fiery sign Aries. The compatibility on both physical and mental level between the two of you is indubitable. You will make an excellent pair and lead a life of eternal bliss and harmony.

The Rasi lord of both of you is Mars' which indicates a friendly planetary position. Owing to your fiery sign, both of you are fiercely independent, bright and courageous. Each has an optimistic approach towards life. Neither is the kind to scrimp and save the money. In spite of the fact that both of you are brash and bossy, your egos will seldom collide as you will respect and understand each other perfectly. One thing that you can be sure of is that the life of the two of you belonging to the same sign will be anything but monotonous. No two days in the life of you two dashing individuals brimming with energy and enthusiasm will be the same. The harmony and understanding will be incredibly beautiful.

The aspirations and requirements of Boy and Girl in love life are similar as both belong to the same vashya Chatuspada. An otherwise bossy and independent Girl will be willing into submission to her husband. She has a hidden desire to be protected and defended by her husband, which is very nourishing and pampering to the ego of the masculine, macho Boy. Both your subconscious fear of losing love makes you insanely jealous. But this is a piece of advice to both of you that if you leave the rope considerably loose with no fear of rejection, your life together will be much smoother. The sexual sharing of love between you will be an ecstatic exchange.

Since both of you belong to the Kshatriya varan with creative ideas and full of energy fear in any form will be unknown to both of you and you will forge your way through life with initiative and force.

Finance

Both Boy and Girl belong to Janma Tara, which will have an auspicious effect on the financial position.

The Bhakoot has neutral effect on the same.

But Mars has an ill-effect on the financial status of Girl. The net result is that they will be wealthy and luxurious but there will be monetary losses at some time in their lives. They will inherit a lot of property from their parents. But due to Mars' ill-effect on the financial position of Girl she will be extravagant. She will fritter away a lot of money on useless luxuries. A careful spending is advised to her.

Health

Nadi of both Boy and Girl is madhya. As they have same nadi, they suffer from nadi dosh. Nadi dosh may have ill effect-on the health of both.

They both have chances of suffering from digestive disorder and liver problem.

Further malefic effect of mars also indicates some health problems for Boy . Mars may tend to aggravate the above disorder and also make him susceptible to high blood pressure and cholesterol in the blood.

Regular exercise along with a balanced diet with less of oily food is advised to reduce the effect of the above diseases.

An astrological advice for Boy is that he should worship lord Hanuman, fast on Tuesdays and wear coral of 7 carats.

Children

Boy and Girl are very well-matched as far as their off-springs are concerned. The arrival of their children will be timely and there will be no delay in their regard. Even the gap between the children will be normal which shall prove to be helpful in their upbringing. They will have equal number of sons and daughters.

Girl is advised to shed off her preconceived fears regarding her pregnancy if she has any, as she will be having a normal delivery. There is no risk of her developing any serious complications. She will neither have abortion nor any gynaecological problems. Since Girl is full of strength, vitality and energy, she will give birth to beautiful and healthy children.

Boy and Girl will be fully satisfied with the behaviour and performance in their respective fields. They will be cultured, well mannered and polite. They will never take a step against the wishes of their parents. Their family life will be peaceful and happy.

InLaws - Female

The relationship between Girl and her mother-in-law will be average. They will be on fairly good terms. Girl will try to comfort her mother-in-law by serving her in her best possible way. She will treat her mother-in-law like her own mother.

But she may not be able to keep her father-in-law totally satisfied with her. So she must take extra efforts to win his favour. She may also not get on too well with her brother-in-law and sister-in-law. There may be a feeling of rivalry or competition between them and this may mar the chances of their developing a friendly relationship.

The attitude of her in-laws may not be too good.

InLaws - Male

Boy will get along fairly well with his mother-in-law. He will provide her with full respect and affection but still their relationship will be formal. They will never have differences or disputes and he will make frequent visits to his in-laws' place along with his wife.

But he will be on very good terms with his father-in-law. He will share a fine rapport and perfect understanding with him. He will get a lot of good advice from him. With his brothers-in-law and sisters-in-law also he will be on friendly terms.

The attitude of his in-laws shall be fairly good.

Planet Reading

Planet Reading clearly indicates the individual role of each planet in the horoscope.

In this section the planetary predictions are given on the basis of the placement of planet in a specific house/sign in your horoscope. It clearly indicates the individual role of each planet in your horoscope. When you come to know about the role of each planet you can have an idea about your real potential. In addition to that you also come to know about your weak points. This information helps you in deciding the course of your life as you are aware of the possibilities of rising in a specific direction.

Personality Analysis

Boy

A life of fun and frolic, mirth and wealth is on the cards for you as per the astrological configuration of Pisces Ascendant (Lagna) with Virgo Navamsa and Pisces Dreshkana in the second Pad of Uttara Bhadrapada at the time of your birth.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good. You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.

Girl

The configuration at the time of your birth was Cancer Ascendant (Lagna) rising with Pisces Navamsa and Pisces Dreshkana in the fourth Pad of Aslesha. This indicates that you are an individual having two extreme traits: one being devout, God-fearing and interested in visiting holy places and rendering charity; the other, very much interested in mundane matters, like making money by whatever means and enjoying life to the brim, having an extra fondness for alcohol. How you will square these two divergent traits only you know.

You are indeed capable of evolving a compromise formula, endowed as you are with intelligence, learning and literary abilities. There is nothing wrong in aspiring for wealth, but what is to be borne in mind is that one should go about it in a decent, honest manner and not by playing tricks with others and resorting to underhand methods.

You will have to be extra cautious about this aspect, as you are a pretty selfish person interested in enjoying the best of everything in life. You will have to keep your personal ambitions within limits, at least on your home front. You will have a dedicated spouse and good children who will be obedient and willing to do everything to keep you happy. So to make sure that you don't have strained relations with your family members, you will have to adopt a sober approach at home.

Actually, as a Cancerian, you are born to teach and lead. You will have to set an example to others by following a straightforward path. You have the ability to do that, only you will have to keep your desires and emotions under check, to become popular with people.

You will have average height with a round face and full cheeks. You may put on weight as years go by and become stout with a rather awkward rolling gait. If you overeat, you may develop an uncouth body. Health will be rather fragile during youth, but it will pick up as you grow up. Since Cancer rules the chest and the stomach, you will have to take care of your digestive system which in later years may give you trouble. Plus you will have to learn to relax, because you are a pretty nervous person.

The diseases that may affect you are hysteria, dropsy and jaundice. Take precautions by visiting your doctor regularly.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

The numbers you can opt for are 4 and 6. Those you had better avoid are 3 and 5.

The colours that will suit you are white, cream, yellow and red. Don't use green and blue.

Physique, Health & Nature

Boy

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.
