Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. Personality Analysis

Boy

A life of fun and frolic, mirth and wealth is on the cards for you as per the astrological configuration of Pisces Ascendant (Lagna) with Virgo Navamsa and Pisces Dreskana in the second Pad of Uttara Bhadrapada at the time of your birth.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good. You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.

Girl

The configuration at the time of your birth was Cancer Ascendant (Lagna) rising with Pisces Navamsa and Pisces Dreskana in the fourth Pad of Aslesha. This indicates that you are an individual having two extreme traits: one being devout, God-fearing and interested in visiting holy places and rendering charity; the other, very much interested in mundane matters, like making money by whatever means and enjoying life to the brim, having an extra fondness for alcohol. How you will square these two divergent traits only you know.

You are indeed capable of evolving a compromise formula, endowed as you are with intelligence, learning and literary abilities. There is nothing wrong in aspiring for wealth, but what is to be borne in mind is that one should go about it in a decent, honest manner and not by playing tricks with others and resorting to underhand methods.

You will have to be extra cautious about this aspect, as you are a pretty selfish person interested in enjoying the best of everything in life. You will have to keep your personal ambitions within limits, at least on your home front. You will have a dedicated spouse and good children who will be obedient and willing to do everything to keep you happy. So to make sure that you don't have strained relations with your family members, you will have to adopt a sober approach at home.

Actually, as a Cancerian, you are born to teach and lead. You will have to set an example to others by following a straightforward path. You have the ability to do that, only you will have to keep your desires and emotions under check, to become popular with people.

You will have average height with a round face and full cheeks. You may put on weight as years go by and become stout with a rather awkward rolling gait. If you overeat, you may develop an uncouth body. Health will be rather fragile during youth, but it will pick up as you grow up. Since Cancer rules the chest and the stomach, you will have to take care of your digestive system which in later years may give you trouble. Plus you will have to learn to relax, because you are a pretty nervous person.

The diseases that may affect you are hysteria, dropsy and jaundice. Take precautions by visiting your doctor regularly.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

The numbers you can opt for are 4 and 6. Those you had better avoid are 3 and 5.

The colours that will suit you are white, cream, yellow and red. Don't use green and blue.

Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies.
