Family Life, Marriage & Business Partner

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

But, in your case, unfortunately the positioning of Ketu in Virgo in the seventh house is not at all favourable. The odds are you will have an unhappy marriage, with a sickly spouse adding to the woes of your troubles. If, out of sheer desperation, you take the plunge to have illicit relations with others, then your cup of sorrow will be full. So, you will have to face whatever the hurdles with single-minded devotion and clear them so as to have a peaceful home.

Given to lavish spending, you may find yourself in debt. And to get over it you may think of doing business. But in this you will have to be extremely careful not to entertain anyone as a partner, for that may make you bankrupt.
