### **Your Rising Sign/ Lagna**

In Vedic Astrology, the first house in the birth chart is known as Lagna or Rising Sign. It denotes the basic characteristic of the native. The ascendant describes one's personality traits and features, along with the physical attributes and beauty. Born in the Aries Lagna, you have an air of adventure and mystery around you. You like challenges, even if they sometimes sound dangerous to your ears. Your fiery streak keeps you alive and makes you the belle of the ball wherever you go.

You have a strong personality which makes you opinionated. This comes off as a strong character trait in front of your family but does not discourage you from expressing your views openly. In the near future, you might have to take things slow because of certain misunderstanding that could crop up due to your speech. As your Lagna prophesizes, you will have to work on being a little less blunt when talking to your kith and kin.

## **Your Horoscope and Career**

The key to having a good career is maintaining integrity. You love to be in limelight and the career that suits you best will be something on those lines. Your strong will to achieve heights in life will keep you motivated throughout your journey. You are determined, hardworking and loyal to your work. Your aesthetic boasts about confidence and strong willpower. Your ambitious attitude will help you achieve a lot more than you anticipated in life. You are a great friend to all those who are in dire need of support. But when it comes to vengeance, you will no stone unturned. Your thought process will wither move eyebrows or mountains, but will not let you sit back and look at like an audience member.

Your 10th lord of profession Mars is placed in the 6th house and is debilitated (adverse) in the horoscope. By virtue of the improved position of Mars in D-9 chart, the adverse effects have been minimized to an extent. But on the other hand, the Mercury-Ketu conjunction with Mars in the 6th house of service indicates that your life shall not be free from enemies who will give you a hard time when the situation is already way too challenging for you.

You shall rise in life through constant hard work and sensible planning. Your ability to cut through the competition and manipulate people around you would provide you with an upper edge over everyone else.

## **Positive And Negative Outlook with respect to your Kundli**

With Saturn aspecting 10th house of Profession and own sign of retrograde Jupiter, you shall always remain dissatisfied with your growth. Despite the constant success at the work front, you will have a hard time coping up with all of it. You might take all the success to your head which could prove to be a problem.

You love money and the advantages it brings with itself, but you tend to take the acquisition of money as a challenge and this often leads to deviate from set targets. If you can restrain yourself from this success shall be surely on your way.

## **Favourable Career for you**

With Saturn-Venus combination in Taurus sign and aspect of these on the 10th house, you shall have a promising career as a mechanical engineer. Further, astrological implications present in your chart indicate that you have better prospects in service until the 36th year of age. After this, self-employment is a better option for you. Service or Business in cable manufacturing and related items, electronic peripherals or items, plastics or export of metal artefacts may yield profitable returns to you.

## **Career Obstacles & Problems**

You cannot be a slave to anybody. Because of this quality, you will not take up a job which involves subordination in its true meaning. You cannot be a 'yes master' even to your boss.

Self-respect and dignity are foremost for you. Any adverse comment on this jolts you down to tackle the things. You are a person who has risen in life from bottoms. There is no sheer luck for you. You will rise gradually with age. Stability in the professional sphere shall be there by 42nd year of age.

## **Your Question :**

### **Am I on the right career path as per my Kundali?**

In your chart, 7th lord is conjunct with Lagna lord and destiny lord in the house of destiny. This is a wonderful Yoga for having a promising career. This combination also makes you fortunate to earning great throughout your life.

In your relations, you are an extremist, which could prove to be a problem in your work relations. You might have a hard time focussing on what you ought to say because you have a knack for being honest in your dealings. When you disagree about something, you make it a point to let everyone know what is wrong with it that you disapprove.

You have a creative bend of mind and the most suitable options for you to take on will be the ones which keep you intrigued. A bored mind will give you the time to procrastinate. This isn't such a great option considering how you like to always stay on your toes and keep working.

A job profile that does not piques your interest would be good for nothing. You will excel at jobs that are in the field of performing arts or creative writing.

As per the planetary alignments, there isn't anything wrong with the current job that you are doing. You have to understand yourself first in order to see what you need. This includes you looking out for other jobs. The more you reach out for other jobs, the more you will make sure that the current employer starts looking out for your replacement. So in case, you have decided that there's no point in trying to work at your current office, it's better you research well before joining somewhere else.

As for the part about the Career Path you have chosen, you already are on the verge of a new breakthrough due to all the effort that you have put in your job. Starting afresh could have been suggested if you were stuck in a thankless job or were into something that does not correlate to your field.

Due to your inquisitive nature and creative skillset, you will always find yourself working with them. When you start diverging from your qualities, you will certainly feel a pull which will keep you tethered to that part of your brain.

Stop worrying about your future, start planting the seeds for a prosperous tomorrow.

*"Those who know Astrology can indicate in a way what will take place in future. Who else, except the creator Brahma, can say with certainty that what exactly will happen. Astrology offers us help and hope in a manner unobtainable by any other method. It is scientific from the time of ancients to the day, but its use cannot be demonstrated by test tube methods. Planetary force is all about us has hidden from our sight and produces effects which are decisive.*

*Scholars of astrology believe that good present and auspicious future events are the fruits of auspicious deeds (Karma) of past, similarly, the primary cause of bad present and inauspicious future events is dependent entirely on the inauspicious Karmas of past. In nutshell, the present and future events are the results of unalterable past."*
