In Vedic Astrology, the first house in the birth chart is known as Lagna or Rising Sign. It denotes the basic characteristic of the native. The ascendant describes one's personality traits and features, along with the physical attributes and beauty. Born in the Aries Lagna, you have an air of adventure and mystery around you. You like challenges, even if they sometimes sound dangerous to your ears. Your fiery streak keeps you alive and makes you the belle of the ball wherever you go.

You have a strong personality which makes you opinionated. This comes off as a strong character trait in front of your family but does not discourage you from expressing your views openly. In the near future, you might have to take things slow because of certain misunderstanding that could crop up due to your speech. As your Lagna prophesizes, you will have to work on being a little less blunt when talking to your kith and kin.

## Your Horoscope and Career

The key to having a good career is maintaining integrity. You love to be in limelight and the career that suits you best will be something on those lines. Your strong will to achieve heights in life will keep you motivated throughout your journey. You are determined, hardworking and loyal to your work. Your aesthetic boasts about confidence and strong willpower. Your ambitious attitude will help you achieve a lot more than you anticipated in life.

You are a great friend to all those who are in dire need of support. But when it comes to vengeance, you will no stone unturned. Your thought process will wither move eyebrows or mountains, but will not let you sit back and look at like an audience member.

Your 10th lord of profession Mars is placed in the 6th house and is debilitated (adverse) in the horoscope. By virtue of the improved position of Mars in D-9 chart, the adverse effects have been minimized to an extent. But on the other hand, the Mercury-Ketu conjunction with Mars in the 6th house of service indicates that your life shall not be free from enemies who will give you a hard time when the situation is already way too challenging for you.

You shall rise in life through constant hard work and sensible planning. Your ability to cut through the competition and manipulate people around you would provide you with an upper edge over everyone else.

## Positive And Negative Outlook with respect to your Kundli

With Saturn aspecting 10th house of Profession and own sign of retrograde Jupiter, you shall always remain dissatisfied with your growth. Despite the constant success at the work front, you will have

a hard time coping up with all of it. You might take all the success to your head which could prove to be a problem.

You love money and the advantages it brings with itself, but you tend to take the acquisition of money as a challenge and this often leads to deviate from set targets. If you can restrain yourself from this success shall be surely on your way.

## **Favourable time period for growth**

With Saturn-Venus combination in Taurus sign and aspect of these on the 10th house, you shall have a promising career in the first half of 2019. You might have to face some trouble at initial stages but this will pass in a week's time till you figure out how to move forward. Opportunities will present themselves to you in this duration, make sure that you use them efficiently. Making all your dreams come true would be as easy as 123 in this period. As per your birth chart, the first half of the year will be your holy grail period where every event and opportunity would be working in your favour to provide you with the maximum chances to excel at your work.

The second half of the year will be testing all the options the first half gave you. Use this time to work your charm and prove that you are worthy of the tasks assigned. Further, you can socialise a little to get to know your teammates better and work in sync with them.

*"Those who know Astrology can indicate in a way what will take place in future. Who else, except the creator Brahma, can say with certainty that what exactly will happen. Astrology offers us help and hope in a manner unobtainable by any other method. It is scientific from the time of ancients to the day, but its use cannot be demonstrated by test tube methods. Planetary force is all about us has hidden from our sight and produces effects which are decisive.*

*Scholars of astrology believe that good present and auspicious future events are the fruits of auspicious deeds (Karma) of past, similarly, the primary cause of bad present and inauspicious future events is dependent entirely on the inauspicious Karmas of past. In nutshell, the present and future events are the results of unalterable past."*
